THIS WOMAN'S SICKNESS

Quickly Yielded To Lydia E. Pinkham's Vegetable Compound.

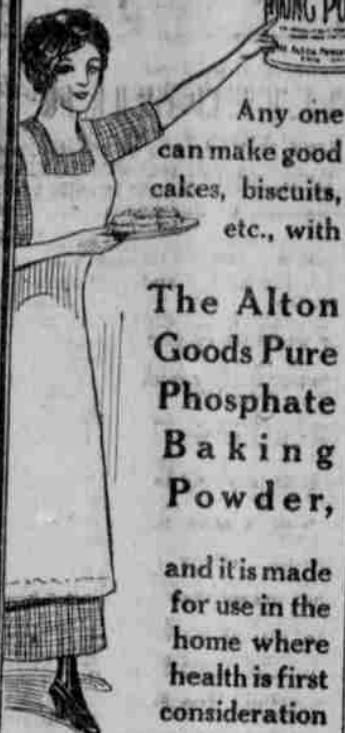

Bridgeton, N.J.—"I want to thank you a thousand times for the wonderful good Lydia E. Pinkham's Vegetable Compound has done for me. I suffered very much from a female trouble. I had bearing down pains, was irregular and at times could hardly walk around the room. I was unable to do my housework or attend to my baby I was so weak. Lydia E. Pinkham's Vegetable Compound did me a world of good, and now I am strong and healthy, can do my work and tend my baby. I advise all suffering women to take it and get well as I did."—Mrs. FANNIE COOPER, R.F.D., Bridgeton, N.J.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

To The Public

On returning to Guthrie Sunday morning I learn that The Leader of Aug. 6th, misquoted me in regard to my reason for leaving Guthrie.

I believe all men are constantly looking forward to a day of larger responsibilities and therefore are alive to their chances of advancement. There has come to Mrs. Brown and myself an extraordinary opportunity for advancement in our business life. We have accepted that opportunity and we believe that in so doing we have carried out the wishes of our friends in Guthrie—Guthrie and Guthrie citizens have been very good to us and it will always be a pleasure for us to speak a good word and enter a boost for Guthrie.

We desire to extend to all our thanks for the very loyal support that you have so kindly given us. You have our best wishes for a Greater Guthrie.

Most sincerely,
J. A. BROWN.
